100% MADE IN AMERICA

SECURITY

Exceed safety and security standards with our access control solutions. Avoid internal and external theft and unauthorized entry.

SAFETY

Manage incidents before they happen with proactive protection. Project an image of authority, safety, security while avoiding OSHA compliance issues.

STORAGE

Protect your inventory from theft, shrinkage and damage with convenient visibility. Our solutions work in any location, from a sales floor or backroom to a warehouse or receiving area.

Loss Prevention Solution

OVER 160 YEARS OF LOSS PREVENTION EXPERIENCE HAS EARNED US THE REPUTATION AS A LEADING SECURITY SOLUTION PROVIDER.

We continuously adapt our product line to serve evolving security threats by providing an arsenal of effective physical security solutions. From bulk-orders for traditional steel folding gates to limited production runs, we bring you loss prevention solutions with our expert design and manufacturing services.
